

Kenowa Hills Public Schools

High Levels of Learning for Each and Every Student

Kenowa Hills Public Schools

District Annual Education Report

Date: August 20, 2013

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2012-2013 educational progress for the **Kenowa Hills Public Schools** (KHPS) district and our schools. The AER addresses the complex reporting information required by Federal and some requirements of State laws; however, our staff is available to help you understand this information. Please contact **Mike Burde, Director of Curriculum and Instruction**, for help if you need assistance.

The district and building AERs are available for you to review electronically by visiting the following web site: <http://www.khps.org/>. Paper copies of AER's are also available in offices throughout the district.

The report contains the following information:

Student Assessment Data – Elementary or middle school assessment results on the Michigan Educational Assessment Program (MEAP), high school assessment results on the Michigan Merit Exam (MME), and assessment results for students with disabilities on Michigan's Alternative Assessment Program (MI-Access or MEAP-Access).

- Presents achievement data for all five tested subjects (mathematics, reading, science, social studies and writing) compared to targets for all students as well as subgroups of students
- Provides achievement data for all five tested subjects (mathematics, reading, science, social studies and writing) for students with significant disabilities (MI-Access or MEAP-Access) compared to targets for all students with disabilities as well as subgroups of students.
- Helps readers understand achievement progress within schools and compare these to district and State achievement.

2325 Four Mile Road NW ♦ Grand Rapids, MI 49544 ♦ p 616.784.2511 ♦ f 616.784.8323

Accountability Scorecard – Detail Data and Status

Information is provided for the district and each school related to achievement targets in reading, writing, mathematics, science and social studies answering questions like:

- Did the district (and schools) meet achievement targets for all students and subgroups of students?
- Did the district (and schools) meet achievement growth targets for all students and subgroups of students?

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides State results of the national assessment in mathematics and reading every other year in grades 4 and 8

The state has identified some schools with a status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. For KHPS, all schools and the district were not identified with any of these labels.

Our community continues to play a vital role in the success of our district. We are very proud of the efforts being made to improve the learning for each and every student at KHPS and sincerely appreciate the continued support of parents, staff and our community in this effort.

Sincerely,

Gerald Hopkins
Superintendent of Schools
