## Kenowa Hills Middle School

Annual Education Report

Date posted: August 18, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for Kenowa Hills Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact the building principal, Joe Haines, for assistance.

The AER is available for you to review electronically by visiting our district's website at [www.khps.org](http://www.khps.org). You may also receive a hard copy from the office by contacting Joe Haines at Kenowa Hills Middle School.

The state has identified some schools with the status of Reward, Focus, or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A focus school is one that has a large achievement gap in 30% of its student achievement scores. A priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Kenowa Hills Middle School placed in the 33rd percentile on the Top to Bottom List. Kenowa Hills Middle School was not identified as a priority, focus or reward school. Therefore, it falls into the Continuous School Improvement classification.

This year we will continue two initiatives that will help increase our status on the Top to Bottom list. The first is beginning a new performance based program K-8. This year we will specifically focus on math. The initiative is labeled as Journey to Excellence (J2X) and our staff and community are excited about the new opportunities this program allows students. Secondly, our district is providing chromebooks at a 1-to-1 ratio for each of our 6-12th grade students. This has and will continue to provide much needed technology for our students as they prepare for their future schooling and movement into the workforce.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL – Kenowa Hills Middle School assigns students to its school based on district geographic boundaries. The school also participates in the Kent Intermediate School District schools of choice program, the State of Michigan Section 105c schools of choice program, and Section 6 student transfer process.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN – Kenowa Hills Middle School participates in the Michigan Department of Education’s continuous improvement process. The building has a representative stakeholder group responsible for various school improvement tasks throughout the school year. The status of Kenowa Hills Middle School 3-5 year school improvement plan can be found at [www.khps.org](http://www.khps.org).
3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL – there are no specialized schools within Kenowa Hills Middle School. However, the building offers supplemental services for students who qualify for additional support and assistance.
4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE’S MODEL – Kenowa Hills Middle School is in the process of transitioning to the Common Core State Standards (CCSS). The CCSS are a set of national standards that aim to allow for more in-depth learning and a focus on skills and competencies demanded in the 21<sup>st</sup> Century. In this time of transition, learning targets are either aligned to Michigan’s Grade Level Content Expectations or the CCSS. Copies of grade level’s or department’s curriculum are available on our district website or in the building’s main office.
5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS – A comprehensive overview of Kenowa Hills Middle School’s student achievement data can be found at <http://www.khps.org/?q=node/6284>. This link includes the past two years’ School Data Profile Analysis which addresses local, state and nationally normed achievement data.
6.
