## School Annual Education Report (AER) Cover Letter

March 8, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for Zinser Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact principal Ross Willick for assistance.

The AER is available for you to review electronically by visiting the following web site: [www.khps.org](http://www.khps.org), or you may review a copy in the main office at your child's school. Zinser Elementary has transitioned to the Common Core State Standards (CCSS). Learning targets are aligned to these standards at each grade level. The CCSS are a set of national standards that aim to allow for more in-depth learning and a focus on skills and competencies demanded in the 21st Century. Copies of grade level's or department's curriculum are available on our district website or in the building's main office upon request.

At Zinser, we continue to strive to provide an exceptional service to our students and families. Some key challenges to overcome are the achievement gap between high and low economically advantaged students, challenges with achievement in upper level math, and below average scores on science. We continue to appreciate the support of parents, staff and our community for helping in this effort.

Key initiatives to accelerate student achievement include continued work on our guaranteed and viable curriculum, an improved multi-tiered system of support with an instructional coach to improve tier 1 interventions, improved knowledge of the Discovery Education resource with science, and workshop teaching models being developed around personal mastery to help support student learning in math.

State law requires that we also report the following additional information:

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL: Zinser Elementary assigns students to its school based on district geographic boundaries. The school also participates in the Kent Intermediate School District Schools of Choice Program, the State of Michigan Section 105c Schools of Choice Program, and Section 6 student transfer process.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN: Zinser Elementary participates in the Michigan Department of Education's continuous improvement process. The building has a representative stakeholder group responsible for various school improvement tasks throughout the school year. Our plan strives to provide a learning environment that follows our vision of being a high functioning learning community driven by a positive school culture. The status of Zinser's 3-5 year school improvement plan can be found at: <http://www.khps.org/academics/curriculum-department/school-improvement-plan/>.
3. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS: A comprehensive overview of Zinser's student achievement data can be found at <http://www.khps.org/academics/curriculum-department/annual-reports/>. This link includes the past two years' School Data Profile Analysis which addresses local, state and nationally normed achievement data.

Parent involvement is essential to the success of our school and student learning. During the 2014-2015 and the 2015-16 school year, we had over 98% of our parents attend parent teacher conferences.

The Teacher Quality Data Report indicates that 0% of our teachers are teaching with an emergency certification. This percentage reflects teachers that are updating their qualifications by adding a new area they are qualified to teach, or are in the process of renewing their certificate. All teachers at Zinser Elementary are highly qualified and hold current certifications to teach our students.

We are very proud by the efforts the staff and community continue to make to help improve the learning for each and every student at Zinser Elementary. Our community continues to play a vital role in the success of our school. As your principal, I will be committed to help build on the success we have achieved and strive to help this building reach to new levels of success in the future.

Your Partner in Education,

Mr. Ross Willick
