Self-Funded Dental Plan

Benefits-at-a-Glance

Kenowa Hills Public Schools

Administrator, Supervisor, Central Office Clerical, School Readiness Teacher, Support Services Specialist, Work Experience Coordinator, Technical Support Specialist, Copy Center Operator Administrative Assistant and Performing Arts Coordinator

This plan will pay the Reasonable and Customary (R&C) amount to the dentist for the eligible services. You are responsible for the co-payment and/or deductible amount as identified in the benefit summary. Any remaining balance in excess of the R&C amount is your responsibility. Also the district may modify R&C maximum as needed to match current amount. If current claims were not available, SET Self-Funded plan cost will be based on an industry standard utilization of 80%.

Benefit Year: January 1 through December 31.

Your Plan Includes Options: A,B,D,F (please see reverse side for Option details)

Option A	Covers bridge and/or denture work for new or existing insured if the missing teeth were extracted prior to the effective date of the service contract (only exception is congenitally missing teeth)
Option B	Waives the five-year replacement limitation on bridge, crown, or denture work
Option C	Crowns are covered at stainless steel crown allowance, and at the percentage specified under Basic Service
Option D	Inlays, onlays, and crowns (post/cores and repairs) move to the Basic Services and are covered accordingly
Option E	Covers exams, prophylaxis, and fluoride at 100%, with the other Basic Services covered at -%
Option F	Covers orthodontia started prior to the effective contract date
Option G	Covers orthodontia without regard to patient's age
Option H	Our contracts allow you 30 days to have work completed if start prior to the termination. With this option all work must be completed prior to the termination date. There is no grace period.
Option I	Permits external coordination of benefits only
Option M	Limits services involving Endodontics, Periodontics, and Oral Surgery to the base percentage (- %)
Option N	Covers single crowns, Endodontics, Periodontics, and Oral Surgery under Basic Services rate (-%) but does not allow for the incentive increase
Option R	Does not allow for the cut back of any charges for R&C
Option S	Covers sealants
Option T	Implants (to be listed under Major Services)
Option D and N	Periodontics, Endodontics, and Oral Surgery at Basic -% but gives Crowns the incentive
Option D and M	Periodontics, Endodontics, Oral Surgery, and Crowns at -%
Full Incentive	10% each succeeding benefit year, not to exceed a Basic Benefit of 100%
