Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for Central Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact the principal, Dr. Cherie Horner for assistance.

The AER is available for you to review electronically by visiting the following web site www.khps.org, or you may review a copy in the main office at your child's school.

Some of the key challenges for our school include increasing the percentage of students proficient in math in 4th grade and keeping them proficient in 5th grade. Another challenge is to stress science and social studies concepts to increase achievement levels while maintaining the focus on reading and math. We also need to address performance gaps with subgroups of our student population. We will continue to work together to close these gaps, starting with daily and punctual attendance.

State law requires that we also report additional information. Please see below.

1. **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL** – Central Elementary assigns students to its school based on district geographic boundaries. The school also participates in the Kent Intermediate School District schools of choice program, the State of Michigan Section 105c schools of choice program, and Section 6 student transfer process.
2. **THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN** – Central Elementary participates in the Michigan Department of Education's continuous improvement process. The building has a representative stakeholder group responsible for various school improvement tasks throughout the school year. The status of Central's 3-5 year school improvement plan can be found at <http://www.khps.org/academics/curriculum-department/school-improvement-plan/>. Copies of our school improvement plan are also available by request from the school office.

khps.org

3. **A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL**-There are no specialized schools within Central Elementary. However, the building offers a variety of supplemental services through grant funds.
4. **IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL** – Central Elementary utilizes the Common Core State Standards (CCSS). Learning targets are aligned to these standards at each grade level. The CCSS are a set of national standards that aim to allow for more in-depth learning and a focus on skills and competencies demanded in the 21st Century. Copies of grade level's or department's curriculum are available on our district website (www.khps.org) or in the building's main office upon request.
5. **THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS** – A comprehensive overview of Central's student achievement data can be found at <http://www.khps.org/academics/curriculum-department/annual-reports/>. This link includes the past two years' School Data Profile Analysis which addresses local, state and nationally normed achievement data.
6. **NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES** – During the 2014-2015 school year, Central had over 96% parent participation.

We are very proud of the efforts being made to improve the learning for each and every student at Central Elementary. Our community continues to play a vital role in the success of our school. We look forward to building upon the success we have had to impact student learning for all.

Your partner in education,

Dr. Cherie Horner
