## Support our Students & Staff.

## You Can Make a Difference.

### What is the Kenowa Hills Education Foundation?

- The Kenowa Hills Education Foundation (KHEF) was established in 1986.
- The Foundation provides financial support for innovative educational opportunities for students of Kenowa Hills Public Schools.
- Since its inception, over \$189,000 dollars has been granted by the KHEF!

### Who is in Charge?

- The Foundation is governed by a volunteer board of trustees which is responsible for collecting, managing, and dispersing funds.
- The KHEF is a separate entity from the Kenowa Hills Public Schools and the Kenowa Hills Board of Education.
- Business & community members like you - join us!

### Why a Foundation?

- The difference between a good school and a great school is the “little extras” that

enhance the education of all students.

- Those “little extras” attract quality students, help retain fine teachers, improve school life, and set Kenowa Hills Public Schools apart from the rest. Helping to provide those enrichment opportunities is the goal of the Foundation.
- Projects are selected through a yearly mini-grant process and are based on a number of criteria and guidelines set up by the Foundation, weighing the potential benefit to all students.
- Every grant awarded represents a unique success story!

- Archery Program start-up for the Middle School
