

Kenowa Hills Public Schools
Education inspired.

June 5, 2020

Dear Kenowa Hills Families,

Kenowa Hills Athletics will remain shut down until further notice. We are currently in the process of following the updated protocol set forth by the MHSAA. This includes obtaining the proper cleaner, sanitizer, thermometers, etc. needed to act in accordance with the guidelines established. We will be offering training to our coaches on how to test our athletes in order to create a safe environment for coaches, staff and athletes to compete and train.

Please be patient as we transition into allowing our athletes back on campus to work out and compete. I am aware that some districts will get their students and athletes back on campus sooner than us. This is not a race, each district has to make a decision that is best for their students, athletes and community. As we move forward we will continue to monitor and communicate with you.

I am very excited that we are talking about having athletics again this fall. Yet, it is also important that we do things the right way. We will adhere to guidelines thereby hopeful to prevent an outbreak and another possible shutdown. One month ago having a fall season didn't seem very likely. I like the plan we are putting together, and know that it will not be very long until we are back on campus competing.

If you have any questions, please feel free to contact me.

Sincerely,

Charlie O'Dell
Director of Athletics
Kenowa Hills High School
