

# Middle SCHOOL SCHOOL SUPPLIES 2019-2020

Many parents ask for a school supplies list - there really is not one specific list as your child will have 6 different teachers. That said, basic supplies will do!

## **Here are some suggestions:**

1. Notebooks-possibly one for each class or just a big one with 5 subjects.  
7th/8th ELA- Students need a composition notebook.
2. Pens, pencils or whatever your student prefers to write with.
3. Folders-one for each subject.
4. Calculators- There are calculators on the Chromebooks and within their online textbook content that are sufficient enough. That said, if you want your own separate calculator, a scientific calculator is recommended. That way you have the square roots, exponents, etc. and that will get your student through geometry (10th grade).

**It is important to note that we do not allow the use of cellphones as calculators.**

## **Important Reminders:**

1. Backpacks, or bags of any kind are NOT allowed in classrooms. They are certainly allowed in school but need to remain in lockers during the day.
2. Your student will receive a Chromebook, Chromebook case and a charger. They can carry all of this with them during the day. That said, they should charge their Chromebook each night and come to school with it fully charged.
3. Your student will receive a lock for their locker and must use the issued lock for security reasons. Accommodations can be made for students with disabilities.
